# GOVERNOR REYNOLDS PROCLAIMS APRIL AS KEEP IOWA BEAUTIFUL MONTH

Now, therefore, I, Kim Reynolds, Governor of the State of Iowa, do hereby proclaim April 2019 as KEEP IOWA BEAUTIFUL MONTH and encourage all citizens to embrace KIB programs by undertaking personal and organizational efforts that will enhance the beauty of our State.

Chris Kramer, Director of the Department of Cultural Affairs; Helen Lowman, President & CEO of Keep America Beautiful; Gov. Kim Reynolds; Gerry Schnepf, KIB Executive Director and Reo Menning, Chair of KIB Board of Directors.

Governor Kim Reynolds signed a proclamation making April Keep Iowa Month, but what does it really mean for our State? It means that our residents and governing bodies recognize and commit to bringing cultural and economic vitality into communities through improvement and enhancement programs. Honoring these efforts help build a stronger Iowa. But for individual Iowans it means that your efforts, too, can play an effective role in living out this proclamation. Pick up litter when you see it, organize a volunteer clean-up group to tackle unsightly areas of your community, be a beautification advocate and work with your city officials and organizations to find grants that fund improvement projects. Big or small, you can proclaim your love for Iowa! Let us know what you are doing in your community!

# TIME FOR CHANGE

"Change" is a word that often causes discomfort to many of us. We tend to like stability and "calm water". The truth is, that change is around us all the time. In many cases it can be exhilarating, positive and fun as well as rewarding.

It is time for another change for yours truly. At the end of May I'm planning to change directions. Have helped start and have been with Keep Iowa Beautiful for almost 20 years. It has been truly rewarding to me and I hope to those we have touched over the years.

By Gerry Schnepf Executive Director

You will notice that I don't use a word that I have come to dislike – that is "retirement"! It carries the connotation that you are resigning from active life. My life has always and will continue to be involved

with making this world a better place to live. There is no retiring in the picture – by the way my wife Pat likes that idea! She is hoping that I'm not underfoot. The person that really needs to be thanked is the love of my life – the person that has tolerated my whims, traveled with me all over the place and listened to countless presentations always with encouragement.

The legacy of the Iowa Natural Heritage Foundation established along with Governor Robert D. Ray and Robert Buckmaster from Waterloo is a source of pride. The legacy of Keep Iowa Beautiful established again with the leadership of Robert D. Ray and a great friend, Donald F. Lamberti from Ankeny. People like Robert D. Ray, Robert Buckmaster and Don Lamberti are exceptional people with vision that is always focused on others and a better life for all.

I believe that Iowa is a better place because of the work of Keep Iowa Beautiful, the Board, past chairs and the great staff and consultants that help to guide its success. There is a great deal to do, but we are on the road to getting it done.

Lastly – the real lowa treasure that individually we love, but, most people don't really view putting them together are the small towns, parks, natural assets and the connector for all - a system of trails. Those assets when fully embraced by lowa can make lowa one of the most attractive states in the nation for individuals and families to visit. We can't build oceans or mountains, but we can recognize the role these assets can play in lowa's future. We can build a recreational and quality of life state by linking and connecting the cities and parks with a network of trails that can become the envy of the nation. The financial return is high! Make it happen!!!!

It is time to move on to other challenges.

# **Building Stronger Communities – Developing Sustainable Futures**

# Hometown Pride — Fremont County-Percival

The Methodist Church in Nebraska City served a free meal to 61 displaced lowans due to the flood tonight. Thank you for the fellowship opportunity and for the prayers in addition to the meal!

The spirit of the residents of Bartlett, Percival and Hamburg was nearly destroyed after the "500 year flood" of 2011. They felt isolated and forgotten. Joining Fremont County Hometown Pride in November 2013 enabled those who chose to stay to focus on rebuilding their communities and building a network of friends through some county-wide projects. Now, the Spring Flood of 2019 is setting new records with its damage and destruction. However this year these victims are receiving a vast amount of support from the rest of their fellow Fremont County Hometown Pride communities. Volunteers showed up without being asked to help sandbag and move personal possessions, truck loads of supplies are being donated and delivered daily,

hot meals are being provided allowing displaced families and neighbors to reunite. The spirit of "one for all and all for one" is shining strong. This time residents know that they are not alone. Their new friends from across the County will be there to help them clean up and rebuild their lives, homes, businesses and communities.

# Hometown Pride — Jasper County-Newton

It is amazing what murals can do for your community. This is a mural restored by Newton Hometown Pride in 2017. 95% of what you are looking at is painted onto the side of the building. On the white building the middle upstairs window is the only actual feature— everything else is paint on the side of a blank wall. This is a very prominent location on First Avenue in Newton, and really enhances the streetscape. Note restoration artist Halle Siepman standing between the orange and brown buildings with her arms upraised. All of the other people are painted on.

The success of Newton's downtown murals has caused other Jasper County Hometown Pride communities to pursue mural projects. Prairie City has two downtown murals scheduled for summer of 2019, and Mingo hopes to complete a mural along the Chichaqua Valley Trail this summer.

# Hometown Pride — Pocahontas Co

Pocahontas County Hometown Pride Committees recently received \$22,502 in grant awards from the Pocahontas County Foundation during the Foundation's Annual Awards Event. These grant funds will be used to assist the Hometown Pride Committees in completing new community projects in 2019.
