KEEP AMERICA BEAUTIFUL AFFILIATE

2022 & 2023 Annual Report

A Message From

Keep Iowa Beautiful

Leadership

As we gather again for our annual report, I can't help but reflect on the incredible journey that has brought us to this moment. Keep Iowa Beautiful has a storied history, one that speaks volumes about the power of exemplary leadership and the dedication of our incredible volunteers. From our inception in 2000 to the present day, our mission has remained steadfast, enhancing the communities of Iowa for generations to come.

I'm honored to write this during my first full year as Executive Director of Keep Iowa Beautiful. It has been an eventful year filled with learning, growth, and discovery. As detailed in this report, we've accomplished great things this year with the support of our passionate team and the community. Yet, we also acknowledge there's so much more to be done.

I want to take a moment to express my gratitude to all of you who have supported us throughout this journey. Your commitment to our cause is the driving force behind our success.

With your continued support, I am confident that we can achieve even greater milestones in the coming years. Together, let's write the next chapter of our inspiring journey.

Keep Iowa Beautiful: A Snapshot

In 2000, former Governor Robert D. Ray and founder and retired chairman of Casey's General Stores Donald F. Lamberti

took note of the challenges facing small towns across rural Iowa. Ray and Lamberti knew the critical importance of rural communities and set out to create programs that prioritized strengthening the sense of local pride in these towns. From here, Keep Iowa Beautiful was created.

Keep Iowa Beautiful, an affiliate of the nationally respected Keep America Beautiful program, is a statewide non-profit dedicated to supporting and strengthening Iowan communities. Rural small towns are the backbone of Iowa, and Keep Iowa Beautiful is committed to revitalizing these communities that we call home.

Keep Iowa Beautiful's programming is built on the pride we feel for our towns and the people in them. All programs are rooted in building community pride in residents of all ages by empowering community volunteers to create cultural and economic improvements to sustain generations to come.

Financing and resources to enhance and improve Iowa's communities

Educational opportunities to share information and cultivate sustainable lifestyles

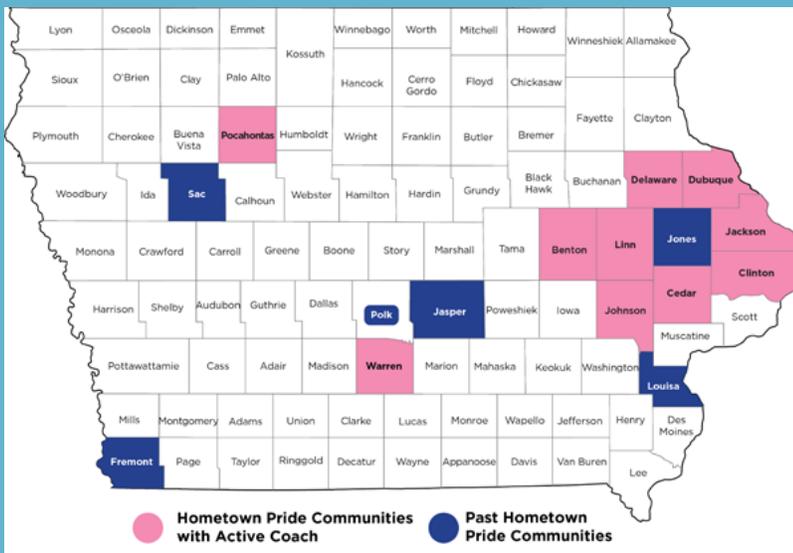

Volunteer efforts to ensure the beauty of Iowa is maintained

Scholarships and awards to encourage growth and knowledge in relevant fields

Program Spotlight: Hometown Pride

Created in 2012, Hometown Pride improves communities using a five-year coaching model. Projects created and implemented through Hometown Pride enhance the community while giving residents the skills and resources to better the communities in which they live and work. In partnership with the Iowa Economic Development Authority, the program supports qualifying Iowa communities, coaches, and volunteers to create physical, cultural, and economic improvements in their town to increase community pride. Hometown Pride has been implemented in 107 communities in 16 counties, raising more than \$13 million for over 1,500 community betterment projects.

“It’s an honor to be helping the Hometown Pride program. Having been a community coach myself, I know that the success of Hometown Pride comes from the hard work and dedication of volunteers and coaches throughout the state. It’s an honor to be helping support and grow the program.”

HEAR IT FROM A HOMETOWN PRIDE COMMUNITY

Established in 2012, the Pocahontas County Hometown Pride program was the first county-wide Hometown Pride program sponsored by Keep Iowa Beautiful. According to Curt Sindergard, Pocahontas County Economic Development Commission Past Chairman, "The Hometown Pride program has really benefitted communities in Pocahontas County by helping them complete many projects in their communities that I believe would not have been accomplished without the program."

Margo Underwood is the Hometown Pride Community Coach and works with each Hometown Pride Committee by providing technical and financial resources to help these community volunteers achieve their community project goals.

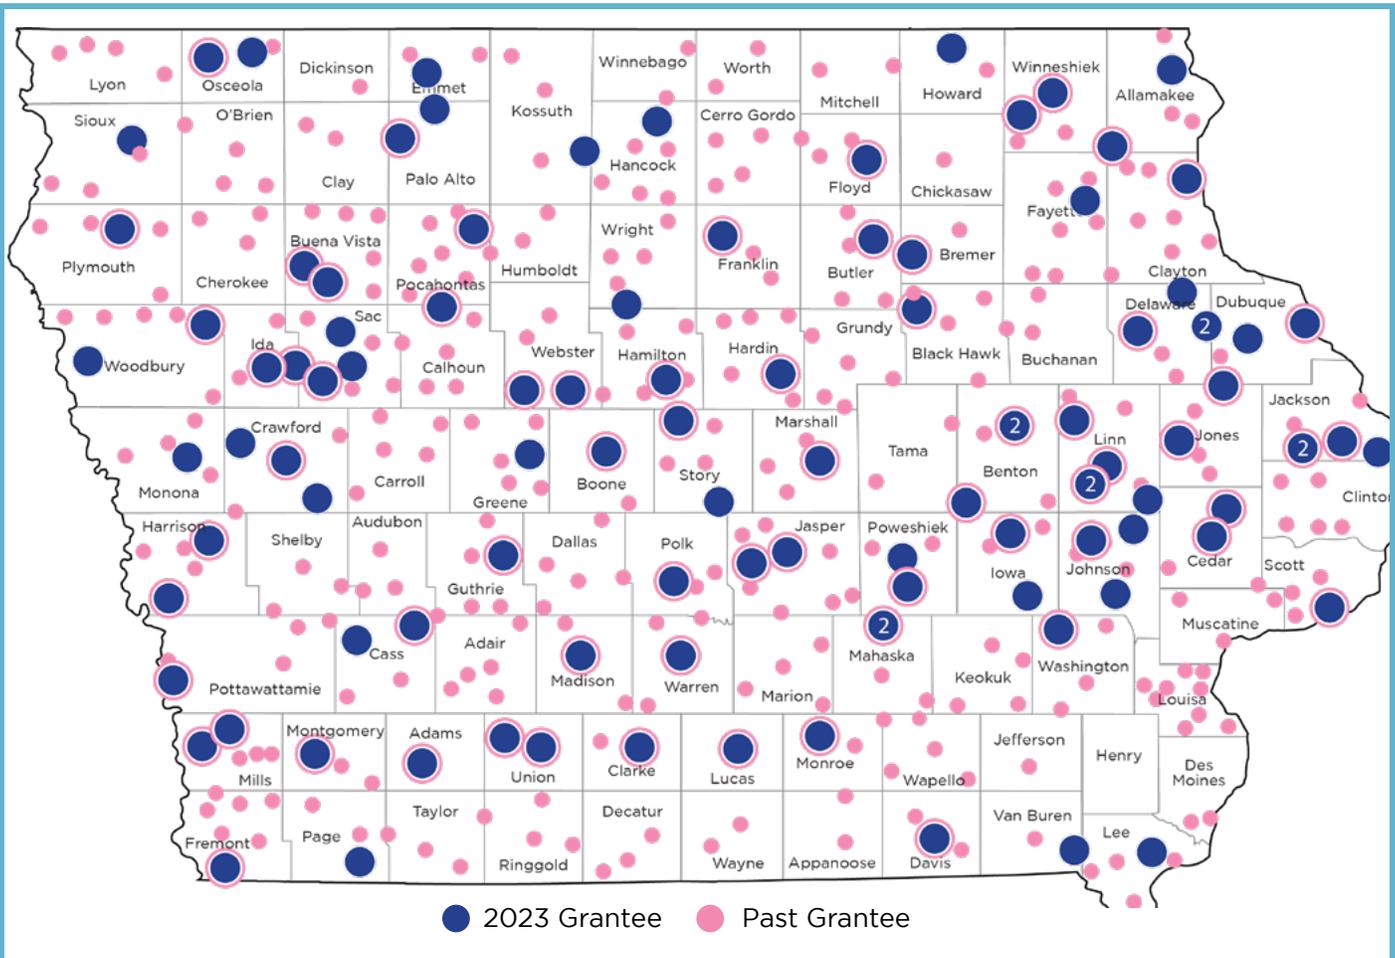

"Building stronger communities with sustainable futures is our shared Hometown Pride vision and together these Hometown Pride communities have received funding to complete over 275 projects to enhance the quality of life for their residents in their communities," explained Underwood. John Pohlman, Pocahontas County EDC Vice-Chairman, adds "These projects pull together members of our communities with many beneficial results that improve our towns and county including city park and pond improvements, community art, trails and much more."

Program Spotlight: Paint Iowa Beautiful

Keep Iowa Beautiful and Diamond Vogel Paint Company celebrated their 20-year partnership in 2023 by awarding Paint Iowa Beautiful Grants to 130 community projects statewide!

The Paint Iowa Beautiful Grant provides free paint to public service projects in Iowa aimed at enhancing the beauty and vitality of the community. The projects awarded the grant in 2023 were diverse - including murals, shelters, historical buildings, trail signs, and even a historic train depot! A full list of 2023 Paint Iowa Beautiful Grantees can be found on our website.

In the 20-year partnership with Keep Iowa Beautiful, Diamond Vogel has awarded:

Program Spotlight:

Paint Iowa Beautiful

A fresh coat of paint can serve as an attraction to visitors and add a splash of color for a community. Below are a few of the many community improvements made possible by the Paint Iowa Beautiful Grant in 2022 and 2023:

Main Street Lansing

Main Street Lansing enhanced the wooden facades of three charming downtown storefronts: 258 Main, 274 Main, and 288 Main. The grant enabled volunteers to buy essential paint, primer, and stain, facilitating a captivating visual transformation of these aged storefronts. Dedicated volunteers from Main Street Lansing devoted their time and effort to enhance the appearance of 258 Main and 288 Main, creating a more beautiful and welcoming environment for the community.

Alexander Public Library

With their Paint Iowa Beautiful award, volunteers were able to give the Alexander Public Library a remarkable makeover. Once burdened with chipped paint and a faded appearance, the library now shines brightly with its fresh coat of paint. The vibrant new look promises to revitalize and uplift the spirit of the entire Alexander community for many years ahead. This project exemplifies the positive impact of our efforts to enhance the beauty and charm of Iowa's beloved spaces.

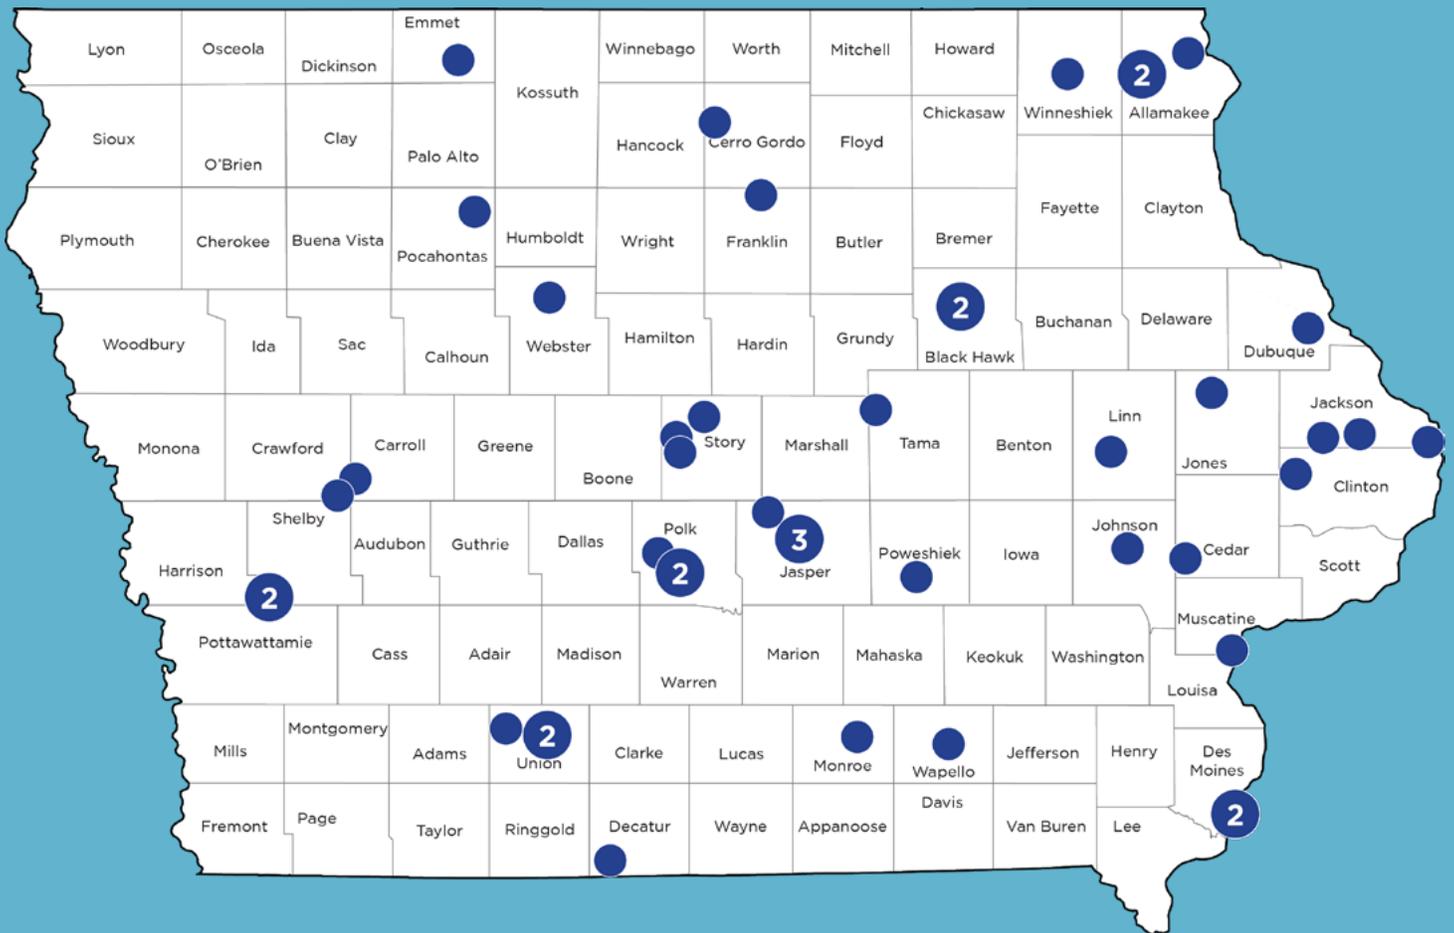

Center Point Community Center

With the much-needed support to purchase paint, this essential project became a reality. The wear and tear that the community center endured over time had left its walls looking worn and lackluster. Thankfully, the grant and the unwavering assistance of the CPU Crew made it possible to breathe new life into this space. We are immensely grateful for the opportunity to make the Center Point Community Center a more vibrant and inviting place for all to enjoy.

Program Spotlight:

2022 & 2023 Pick-Up Iowa

Pick-Up Iowa is an effort on behalf of Keep Iowa Beautiful in coordination with Keep America Beautiful's Great American Cleanup, the nation's largest community improvement program, which takes place annually in an estimated 20,000 communities nationwide. Community organizations, clubs, and groups across the state, equipped with supplies from Keep Iowa Beautiful, participate in this annual mass litter pick-up event.

Keep Iowa Beautiful Proclamation

On April 1st, 2023, Governor Kim Reynolds signed a proclamation declaring April as Keep Iowa Beautiful Month, maintaining the state's commitment to improving the cultural and economic vitality of Iowa communities. Honoring these efforts through the Governor's proclamation helps build a stronger state, but individual Iowans can also play an effective role in living out this proclamation. Pick up litter when you see it, organize a volunteer clean-up group to tackle unsightly areas of your community, be a beautification advocate and work with your city officials and organizations to find grants that fund improvement projects. Big or small, you can proclaim your love for Iowa! To view the full proclamation from the Governor's office, see the [appendix](#).

Annual Golf Tournament

The annual golf tournament hosted by Keep Iowa Beautiful stands as a pivotal cornerstone in our mission to sustain and advance our organization's diverse programming for years to come. The inaugural golf tournament in 2022 was an immediate success, bringing together sponsors, donors and golfers in support of Keep Iowa Beautiful's mission. The 2023 tournament proved to be a remarkable success, doubling the funds raised for Keep Iowa Beautiful's programs. This achievement marks a substantial increase from the previous year's tournament, with a turnout and auction that exceeded our expectations. The funds raised from the annual golf tournament are set to play a pivotal role in fortifying and expanding our wide range of initiatives. Keep Iowa Beautiful extends its deepest appreciation to all who contributed to this achievement, and we hope to see everyone at the next golf tournament as we continue our mission to keep Iowa a clean, beautiful, and sustainable state.

Partnerships

No Litter Hotline

Partnering with the Iowa State Patrol, Iowa State Sheriffs & Deputies Association and Iowa Police Chiefs Association, the Keep Iowa Beautiful No Litter Hotline allows travelers to report littering from a vehicle. When the act of littering occurs, a witness may call the No Litter Hotline to report the offense by providing as much detail about the incident as possible. The Iowa State Patrol will deliver a warning letter to reported offenders and send a message that littering is not acceptable in the State of Iowa.

Derelict Building Grant

Pioneered by Keep Iowa Beautiful and sponsored by the Iowa Department of Natural Resources, the Derelict Building Program offers financial assistance to Iowa communities of 5,000 or fewer residents towards addressing neglected structures that have sat vacant for at least six months. The program's focus is landfill diversion through the recycling and reuse of building materials. Since the beginning of the Derelict Building Grant Program:

Build With Bags

The Iowa Grocery Industry Association's Build with Bags program awards grants to purchase picnic tables, park benches, planters, and playground equipment made of recycled plastic bags. Approximately 10,600 plastic bags are used to make one park bench and more than 20,000 are used to make a picnic table. In 10 years, the Build with Bags grant program has donated \$365,594 to more than 250 communities across the state of Iowa and kept hundreds of thousands of plastic bags out of landfills.

No Litter Hotline Warning Letter

XX/XX/2023

Dear XXX:

Keep Iowa Beautiful has partnered with Iowa Law Enforcement in efforts to inform citizens like you of the hazards and costs associated with unlawful littering. Recently, a citizen reported seeing litter tossed from a (Vehicle Make) registered to you, (Plate Number), on (Date) near (Location). At times, people make mistakes in reporting license plate information. If that is the case, please accept our apology.

Regardless, we ask that you join us in our efforts to Keep Iowa Beautiful. Randomly discarded trash, even the smallest item such as a cigarette butt – endangers our environment, our wildlife, and may even threaten our safety. Picking up litter and debris costs taxpayers like you more than \$13.5 million each year. Our goal is to stop litter.

To help make a difference, we ask Iowans to please prevent litter:

- Teach young people not to litter
- Always dispose of your trash in a proper receptacle
- Carry and use a litter bag in your vehicle
- Never throw anything out of your window
- Cover truck beds when transporting trash or other loose items

We appreciate your support in Keeping Iowa Beautiful!
